

How Used Hilton Hotel Soaps Get Recycled

A. Thinking Questions:

1. When was the last time you lived in a hotel?
2. Do you like using soaps and shampoos that hotels provide?
3. What happens to the soap and shampoos after you use them in a hotel?

B. Word Definition: Connect the word with its correct meaning:

- | | |
|-----------------------|----------------------------------|
| complimentary | change the shape |
| single-use toiletries | send out or delivery out |
| recycle | give away for a good cause |
| sterile | convert into a reusable product |
| donate | free of charge |
| distribute | soap or shampoo for one-time use |
| remold | totally clean |

C. Video Questions: These questions test your understanding of the video.

1. Why is it important to wash your hands with soap?
2. Why did the non-profit Clean the World save used soap?
3. Which hotels donate their soap for re-using?

D. Advanced Questions: These questions make you think harder or apply what you know.

1. Explain what happens in each step to re-make used soap into new bars of soap:
 - A. Sterilize the soap:
 - B. Breakdown:
 - C. Remolding:
 - D. Packaging:
2. What are some benefits of recycling soap?
3. Why might Clean The World see fewer donations of used soap from hotels now?
